**Famous Boxers Fought Here!**
Newburgh has a long history of sports champions; Joseph Donoghue (world speed skating champion in 1891) was just the first. All types of championship races were held here in Newburgh in earlier days, and Ward Brothers Memorial Park on the Hudson River commemorates the famous rowers from Newburgh, the Ward Brothers.

Those of us who were not competitive athletes who have gone, in days past, to the Avalon Roller Drome. The original Avalon Roller Drome opened in 1946, but roller skating was not the Avalon’s only claim to fame - the Avalon Recreation Hall was also the venue for a boxing season from 1946-49, according to Wesley “Bo” Gills’ columns.

If you’d like to participate, just ask at the Youth Services Office for your book log sheets. For every 100 books you read – or re-read – come back to the Library for recognition stickers. For more information, go to 1000booksbeforekindergarten.org.

HAGRID’S ARMY (the Library’s chapter of the Harry Potter Alliance) had a busy first full year in 2017! They organized three community service projects, all benefiting the greater Newburgh community. In April, Hagrid’s Army collected approximately 200 books as part of the Harry Potter Alliance’s Accio Books campaign; the books were then donated to Project L.I.F.E. In October, they solicited fresh produce donations to the Food Pantry. And finally, in December, Hagrid’s Army ran a clothing drive. Over 13 bags (35 gallons each) of new and gently used clothing for all genders were collected, resulting in 10 bags being donated to The Newburgh Ministry.

Stay tuned for more meetings in 2018! The group is open to all ages interested in community service – with a splash of Harry Potter. Keep an eye on the calendar for upcoming meetings. For any questions, please email hagridsarmynewburgh@gmail.com.
